

testing::gmock\_matchers  
\_test::AClass

```
graph BT; B["testing::gmock_matchers  
_test::DerivedClass"] --> A["testing::gmock_matchers  
_test::AClass"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'testing::gmock\_matchers' on the first line and '\_test::AClass' on the second line. The bottom box is white and contains the text 'testing::gmock\_matchers' on the first line and '\_test::DerivedClass' on the second line. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating a relationship or inheritance from DerivedClass to AClass.
