

testing::gmock_matchers
_test::AStruct

```
graph BT; B["testing::gmock_matchers  
_test::DerivedStruct"] --> A["testing::gmock_matchers  
_test::AStruct"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'testing::gmock_matchers' on the first line and '_test::AStruct' on the second line. The bottom box is white and contains the text 'testing::gmock_matchers' on the first line and '_test::DerivedStruct' on the second line. A blue arrow points vertically from the top center of the bottom box to the bottom center of the top box, indicating a relationship or inheritance from DerivedStruct to AStruct.
